INDEPENDENT AUDITOR'S REPORT
To the Shareholders of the Company "STOP S.A."

Report on the Financial Statements

We have audited the above financial statements of the Company "STOP S.A.", which comprise the balance sheet as at 31 December 2013 and the statement of income, and the results appropriation account for the year then ended, as well as the relevant notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Accounting Standards that are prescribed by the Greek General Chart of Accounts and the provisions of the articles 42a up to 43c of the cod. L. 2190/1920 and for such internal controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's system of internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

As a result of our audit arose that the tax return of the company for the year 2010, has not been examined by the tax authorities as yet. Therefore, the tax results for this year have not been made final. The company has not proceeded to estimation of additional taxes and penalties, which may be assessed at a future tax audit and has not made relevant provision in respect of this contingent liability. From our audit reasonable assurance has not been obtained in respect of the estimation of the amount of provision that may be required.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the above financial statements present fairly, in all material respects, the financial position of the Company "STOP S.A." as at 31 December 2013, and of its financial performance for the year then ended in accordance with the Accounting Standards that are prescribed by the Greek General Chart of Accounts and the provisions of the articles 42a up to 43c of the cod. L. 2190/1920.

Report on Other Legal and Regulatory Requirements

We verified the consistency and the correspondence of the content of the Report of the Board of Directors with the above financial statements, under the legal frame of the articles 43a and 37 of cod. L. 2190/1920.
